

The Coalition of Anti-Racist Whites presents

BEING AN ANTI-RACIST WHITE ALLY

a free workshop for white folks by white folks

Join us to discuss principles of being a white ally, and importantly, what a white ally might do to organize to end institutional racism and white privilege.

This workshop will be very interactive, with lots of discussion, theater of the oppressed and small group exercises. Great for white people wanting ideas on how to support groups and causes led by people of color.

Wednesday, January 9th 6:30-9pm

Cascade People's Center (309 Pontius Ave. N)
